1. Presentation Practice

The team conducted a brief practice session for the upcoming pitch presentation. Each team member took turns presenting their assigned sections. Feedback was provided to ensure all points were aligned and consistent

2. Presentation Visual Standardization

- Jiali Gu shared a presentation template she had prepared
- The team unanimously approved of the template's design
- Agreement to use Jiali's template to standardize the visual presentation of all slides\

3. Next Steps

- Team members to finalize their individual slides using the agreed template
- Prepare for tomorrow's recording session
- Continue refining presentation content based on today's feedback

4. Adjournment

- The meeting concluded after all members had presented their sections
