Date: 28 March 2025

Time: 1:00 PM - 2:30 PM

Location: Room 339 Barr Smith Library

Secretary: Mohon Dash Tanu

Attendees: Hermanto

Ze Kai Chong

Mohon Dash Tanu

Jiali Gu

Tiantian Wang

Haoyu Zhang

1. Quorum Announcement

It was announced that a quorum of the team was present, and the meeting was duly convened to discuss project updates and next steps.

2. Pitch presentation planning

We have made the necessary changes based on the feedback. We discussed how the conclusion could be improved and provided suggestions. Everyone has added their name and video as per the feedback. Our next step is to merge the videos and submit the final version

3. Task update and allocation

As we are almost done with the pitch presentation, we will move to our next task which is developing a business case. therefore, we divided the task as follows:

Hermanto:

Describe game milestone

Ze Kai Chong:

Responsible for providing a description of the team, including the team organization, roles, risks, and other related details

Mohon Dash Tanu:

Responsible for providing the context of the project and its beneficiaries

Jiali Gu:

Responsible for providing a good description of what the project is about

Tiantian Wang:

Responsible for the organization of the document, ensuring it is well-structured with appropriate sections, titles, authors, and other essential elements.

Haoyu Zhang:

Responsible for explaining why the project is well-motivated.

4. Next Steps

- Complete assigned presentation sections by Monday

- Continue refining game concept with focus on quantum mechanics implementation
- Finalize the business case
- Provide feedback on business case by team mates
- Be ready for the next client meeting as there will be a question and answering session also seek feedback from supervisor of business case draft.

5. Adjournment

- The next meeting is scheduled for 4 Apr 2025 (offline meeting)
- The meeting was adjourned at 2:30 PM.
